

REMARKS

General:

Claims 1-26 are pending in the application.

Non-Statutory Double Patenting Rejections:

Claims 1-26 are rejected on the ground of non-statutory obvious-type double patenting as being unpatentable over claims 1-4 of US Patent No. 7,028,858 in view of Dark US Patent No. 6,330,959.

In response to the rejection, Applicants submit herewith a Terminal Disclaimer as required under 37 CFR 1.321. In light of the filing of the Terminal Disclaimer, Applicants respectfully submit that the double patenting rejection has been overcome.

Since no other substantive rejections have been raised in the Office Action, Applicants respectfully submit that the application is now in condition for allowance.

If the Examiner believes that direct communication with Applicants' representative will help advance this application, the Examiner is invited to contact the undersigned.

Respectfully submitted,

GENE STULL *ET AL*
